National Liaison Officer

2018-05-25

Subject: Invitation to the 2018 IAEA/ESOR Training Course

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations of suitable candidates to participate in the TC Sponsored Participation on Introduction to Hybrid Oncology -ESOR within the framework of the IAEA technical cooperation project RER6037, "Strengthening Nuclear Medicine Capabilities".

The attached Schedule of IAEA/ESOR Training Course will provide further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures.

The IAEA will provide selected participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Vienna. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures. The registration fee will be waived for the participants supported by the IAEA.

We would appreciate receiving your country's nominations by **30 June 2018** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Mayumi Yamamoto, M.Yamamoto@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto
Programme Management Officer
Division for Europe
Department of Technical Cooperation

Enclosures: Schedule of IAEA/ESOR Training Course in 2018

**Schedule of Training Course in 2018 under Regional TC Projects RER/6/037:
Strengthening Nuclear Medicine Capabilities**
