National Liaison Officer/National Coordinator

2018-08-27

Subject: Regional Training Course on Development and Use of Operational Intervention Levels (OILs) for Severe Emergencies at LWRs, Vienna, Austria from 12 to 16 November 2018

Dear National Liaison Officer/National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9137, “Enhancing National Capabilities for Response to Nuclear and Radiological Emergencies” .

The purpose of the event is aiming to support Member States in establishing or enhancing adequate capabilities for protecting the public in the event of a severe emergency at a Light Water Reactor (LWR) or its spent fuel pool, by providing a detailed explanation on the use of IAEA’ s default operational intervention levels (OILs) and the methodology for their derivation and revision.

The attached Information Sheet and Logistical Arrangements provide further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant’ s residence and Vienna. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country’ s nominations by **14 September 2018** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA’ s webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Mr Christoph Henrich C.Henrich@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Christoph Henrich
Programme Management Officer
Division for Europe
Department of Technical Cooperation
