2017-07-17

Subject: Regional Training Course on Radiation Emergency Management for European Member States
Traiskirchen, Austria from 9 to 27 October 2017

Dear National Liaison Officers/National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9137, "Enhancing National Capabilities for Response to Nuclear and Radiological Emergencies".

The purpose of the course is to create a cadre of managers capable of developing and managing sustainable emergency preparedness and response (EPR) programmes, based mainly on IAEA safety standards, technical guidelines, tools and training material.

The Information Sheet and Logistical Arrangements available on the IAEA's InTouch+ platform provide further details, including technical and administrative aspects of the course. Selection of participants will be in accordance with IAEA procedures.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Traiskirchen. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the course in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **14 August 2017** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA by email to Official.Mail@iaea.org and C.Henrich@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Christoph Henrich
Program Manager Officer
Division for Europe
Department of Technical Cooperation
