Subject: Invitation to the 2017 IAEA/ESOR Training Course

Dear National Liaison Officer,

I am pleased to invite you to send nominations of suitable candidates to participate in the above mentioned training course under the framework of TC Project RER/6/035 – Strengthening Single Photon Emission Computed Tomography/Computed Tomography and Positron Emission Tomography Hybrid Imaging Applications for Diagnosis of Chronic Diseases, including Cancer. The schedule of 2017 IAEA/ESOR training course and the selection criteria is attached.

The course will be conducted in English, and detailed information on the course can be found on the ESOR website: http://www.esor.org/cms/website.php?id=/en/about_esor.htm. For candidates who are selected by the IAEA, the cost of return international travel from the home country to the course venue and a stipend for the duration of the training course will be provided in line with Agency rules and procedures.

Please send duly completed Nomination Form for Training Courses by the deadline listed in the attached schedule. Please note that nominations received after the closing date will not be considered.

Please submit nominations to the IAEA online through the Technical Cooperation Department's InTouch system (<http://intouch.iaea.org>). Only if this is not possible, nominations may be submitted on the Nomination Form for Training Courses available on the IAEA website: <http://www.iaea.org/technicalcooperation/How-to-take-part/train-course/index.htm>. Completed forms should be endorsed by relevant national authorities and sent to the Programme Management Officer for this project, Ms Mayumi Yamamoto (IAEA Official Fax: +43-1-26007 or E-Mail: Official.Mail@iaea.org), through the official channels, i.e. the designated National Liaison Office for IAEA matters.

Yours sincerely,

Martin Krause

Director

Division for Europe

Department of Technical Cooperation

Enclosure: Schedule of IAEA/ESOR Training Course in 2017

**Schedule of Training Course in 2017 under Regional TC Projects RER/6/035:
Strengthening Single Photon Emission Computed Tomography/Computed Tomography and Positron Emission
Tomography Hybrid Imaging Applications for Diagnosis of Chronic Diseases, including Cancer**

Course Title	Location	Course Dates in 2017	Deadline for submission of Nominations	Selection Criteria
INTRODUCTION TO HYBRID IMAGING IN ONCOLOGY (organized by European Society of Radiology)	Vienna/Austria	August 31 – September 1, 2017	30 June 2017 (IAEA/TC may sponsor up to 10 participants)	The applicants should be fully trained Nuclear Medicine physicians, Radiologists and Oncologists currently practicing or with interest in oncological imaging.
