Subject: Invitation to the 2017 IAEA/EANM Training Activities

Dear National Liaison Officer,

I am pleased to invite you to send nominations of suitable candidates to participate in the above mentioned training courses under the framework of TC Project RER/6/035 – Strengthening Single Photon Emission Computed Tomography/Computed Tomography and Positron Emission Tomography Hybrid Imaging Applications for Diagnosis of Chronic Diseases, including Cancer. The schedule of 2017 IAEA/EANM training courses and the selection criteria is attached.

The courses will be conducted in English, and specific information on each course can be found on the EANM website: <http://www.eanm.org/esmit/level-2/>. For candidates who are selected by the IAEA, the Agency will cover the cost of return international travel from the home country to the course venue and provide a stipend for the duration of the training course in line with Agency rules and procedures.

Please send duly completed Nomination Form for Training Courses by the deadlines listed in the attached schedule. Please note that nominations received after the closing date will not be considered.

Please submit nominations to the IAEA online through the Technical Cooperation Department's InTouch system (<http://intouch.iaea.org>). Only if this is not possible, nominations may be submitted on the Nomination Form for Training Courses available on the IAEA website: <http://www.iaea.org/technicalcooperation/How-to-take-part/train-course/index.htm>. Completed forms should be endorsed by relevant national authorities and sent to the Programme Management Officer for this project, Ms Mayumi Yamamoto (IAEA Official Fax: +43-1-26007 or E-Mail: Official.Mail@iaea.org), through the official channels, i.e. the designated National Liaison Office for IAEA matters.

Yours sincerely,

Martin Krause
Director
Division for Europe
Department of Technical Cooperation
