National Liaison Officer/National Coordinator

2018-01-18

Subject: The European School of Multimodality Imaging & Therapy (ESMIT)-Spring School 2018, Ghent, Belgium from 4 to 6 May 2018

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations to participate in the above mentioned event under the IAEA technical cooperation project RER6037, "Strengthening Nuclear Medicine Capabilities".

The event will be conducted in English, and specific information on each course can be found on the EANM website: <http://www.eanm.org/esmit/level-2/esmit-spring-school-2018/> The Spring course consists of 4 parallel tracks held during 3 consecutive days.

The applicants should be nuclear medicine physicians /radiologists. Radiation Oncologists and Neurologists may also be considered. Please ensure to indicate in the nomination forms order of your preference among 4 tracks. Preference will be taken into account, but all may not be met.

Selection of participants will be in accordance with IAEA procedures.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Ghent. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the course in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **16 March 2018** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA by email, fax or mail. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto  
Project Management Officer  
Division for Europe  
Department of Technical Cooperation
