Subject: TC Sponsored Participation to the EANM - ESMIT Training Courses in 2019

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations of suitable candidates to participate in the TC Sponsored Participation of EANM Training Courses in 2019 within the framework of the IAEA technical cooperation project RER6037, "Strengthening Nuclear Medicine Capabilities".

The purpose of the event is to provide participants with an opportunity for continuing medical education including an overview of new developments in the field of nuclear medicine.

The attached schedule provides further details, including technical and administrative aspects of the events. Selection of participants will be in accordance with IAEA procedures.

We would appreciate receiving your country's nominations for the first event by **9 February 2019** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org), with copy to Ms Mayumi Yamamoto, [M.Yamamoto@iaea.org](mailto:M.Yamamoto@iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto  
Programme Management Officer  
Division for Europe  
Department of Technical Cooperation

Enclosures: Schedule EANM 2019

**Schedule of EANM Training Courses in 2019 under Regional TC Project  
RER/6/037: Strengthening Nuclear Medicine Capabilities**
