Subject: TC Sponsored Participation to the 10th European Symposium on Paediatric Nuclear Medicine (on behalf of the European Association of Nuclear Medicine), Girona, Spain from 23 to 26 May 2019

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations of suitable candidates to participate in the 10th European Symposium on Paediatric Nuclear Medicine within the framework of the IAEA technical cooperation project RER6037, "Strengthening Nuclear Medicine Capabilities".

The purpose of the event is to provide participants with an opportunity for continuing medical education including an overview of new developments in the field of paediatric nuclear medicine.

The applicants should be fully trained Nuclear Medicine physicians, currently practicing or with interest in paediatrics.

For detailed information on tracks, please refer to: www.esopnm.net

We would appreciate receiving your country's nominations for the first event by **15 March 2019** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Mayumi Yamamoto, M.Yamamoto@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto
Programme Management Officer
Division for Europe
Department of Technical Cooperation

**Training Course in 2019 under the regional TC Project
RER/6/037 “Strengthening Nuclear Medicine Capabilities”**
