Subject: Regional Training Course on Actions to Protect the Public in an Emergency due to Severe Conditions at a Light Water Reactor, Tulln, Austria, from 11 to 15 November 2019.

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9151, "Updating and Harmonizing Emergency Preparedness and Response Plans".

The purpose of the event is to train participants on establishing or improving an adequate capability for protecting the public in the event of a severe accident at a nuclear power plant or spent fuel pool based on guidance and tools developed by the IAEA.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Tulln. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **6 September 2019** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Mr Christoph Henrich C.Henrich@iaea.org and R.Fikare-Kerin@iaea.org

Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.
