Subject: 3rd European Congress in Nuclear Medicine with Advanced Theoretical-Practical Course:
Update on the State of Art of Infections and Inflammation, Rome, Italy from 9 to 11 December 2019

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations of suitable candidates to participate in the International Congress Imaging infections and inflammation within the framework of the IAEA technical cooperation project RER6037, "Strengthening Nuclear Medicine Capabilities". Selection of participants will be in accordance with IAEA procedures.

The purpose of the event is participation in the 3rd European Congress in Nuclear Medicine with Advanced Theoretical-Practical Course: Update on the State of Art of Infections and Inflammation.

Further information can be found under: <https://www.nuclearmedicinediscovery.org/events.asp>

The applicants should be fully trained Nuclear Medicine physicians, with basic knowledge of infection imaging using radiolabelled white blood cells and basic knowledge of PET/CT radiopharmaceuticals (FDG in particular).

The IAEA will provide selected participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Rome. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **1 September 2019** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Mayumi Yamamoto, M.Yamamoto@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto
Programme Management Officer
Division for Europe
Department of Technical Cooperation

Enclosures: Training Schedule

Schedule of Training Courses in 2019 under Regional TC Projects

RER/6/037:

Strengthening Nuclear Medicine Capabilities

Course Title	Theoretical-and Practical Course on Nuclear Medicine: Update on the State of Art of Infection/Inflammation Imaging
Location	Rome (Italy)
Course Dates in 2018	9-11 December 2019
Deadline for submission of Nominations	1 September 2019
Selection Criteria	<p>The applicants should be fully trained Nuclear Medicine physicians, with basic knowledge of infection imaging using radiolabelled white blood cells and basic knowledge of PET/CT radiopharmaceuticals (FDG in particular).</p> <p>The event will take place in conjunction with the 3rd European Congress on Imaging Infection and Inflammation</p>
