Subject: Virtual Meeting on Radiation Protection Education and Training of Medical Radiation Technologists/Radiographers, Vienna, Austria, from 17 to 19 November and from 24 to 26 November 2020

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above virtual event under the IAEA technical cooperation project RER9147, “Enhancing Member States' Capabilities for Ensuring Radiation Protection of Individuals Undergoing Medical Exposure”, to promote innovative ways of delivering our programme in the face of the unprecedented health crisis due to the COVID-19 pandemic.

The purpose of the meeting is to contribute to improving radiation protection knowledge of medical radiation technologists (radiographers) in the region through identifying gaps in education and training and suggesting actions.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable female participants.

For participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **11 September 2020** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address (Official.Mail@iaea.org), with copy to Mr Alexey Katukhov (A.Katukhov@iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.
