Subject: Regional Training Course on Preparedness and Response for a Nuclear or Radiological Emergency Combined with Other Incidents or Emergencies, Istanbul, Turkey, from 2 to 6 November 2020

Dear National Liaison Officer,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9151, "Updating and Harmonizing Emergency Preparedness and Response Plans".

The purpose of the event is to train participants on selected elements necessary for effective preparedness and response for combined emergencies, such as the goals of EPR, the emergency management system, hazard assessment, the unified command and control system and the self-assessment of general EPR arrangements.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Istanbul. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **10 September 2020** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address (Official.Mail@iaea.org), with copy to Mr Alexey Katukhov (A.Katukhov@iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Alexey Katukhov".

Alexey Katukhov
Programme Management Officer
Division for Europe
