Subject: Virtual Event - Task Force Meeting to compile results on identification of air pollution sources, from 20 to 30 October 2020

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER7012, "Determining Long Term Time Trends of Air Pollution Source Tracers by Nuclear Techniques".

The purpose of the event is to compile results on identification of air pollution sources from the related projects, RER1015 "Apportioning air Pollution sources on a Regional Scale" (2016-2017) and RER7011 "Enhancing the Inventory of Aerosol Sources Profiles Characterized by Nuclear Analytic Techniques in Support of air Quality Management" (2018-2019), campaigns and drafting a summary for a publicizing material.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

For participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **5 October 2020** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Tomoko Furusawa T.Furusawa@iaea.org and Ms Marina Lucic M.Lucic@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Tomoko Furusawa
Programme Management Officer
