

**TC Sponsored Participation on
EACVI Nuclear Cardiology Certification
supported under
Regional TC Project RER/6/037**

Event Number	SP-RER6037-2005290
Event Title	Virtual Event - TC Sponsored Participation on EACVI Nuclear Cardiology Certification
Place/Date	Online, 24 November 2020
Nomination Deadline	30 October 2020
Information	The purpose of the event is to support the participation on the EACVI Nuclear Cardiology Certification Exam. The certification intends to test and assess knowledge, skills and performance in the practice of Nuclear Cardiology, following post-graduation, educational and training experiences. Certifications are both a proof of professional excellence to the patients and a way for practitioners to enhance their good practice.
Contact Person	Véronique Brassart EACVI Coordinator Governance Division European Society of Cardiology Email: vbrassart@escardio.org Tel: +33 (0)4 92 94 35 16
Selection Criteria	<p>Nominees should have the knowledge, practical experience and skills to deliver a safe and effective clinical service in Nuclear Cardiology, including justification and authorisation of referrals, supervision of cardiovascular stress and image acquisition, and independent reporting of the findings. They should be authorised to do so in the course of their primary employment. If the nominee is not currently employed or practising nuclear cardiology, he/she should have been so for at least 1 year in the past 5 years.</p> <p>This requirement is to be confirmed in the form of a signed letter provided by someone who has known you professionally for at least 1 year in the past 5 years and who is a trainer, supervisor, mentor, manager or colleague.</p> <p>For detailed information visit: https://www.escardio.org/Education/Career-Development/Certification/Nuclear-Cardiology</p>
