Subject: Virtual event - First Follow up Workshop to the Regional Workshop on Joined Radon Population Opinion Survey - Share Team up Engage Analyse Monitor (STEAM), from 30 to 31 March 2021

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing a Regional Virtual Workshop under the IAEA technical cooperation project RER9153, "Enhancing the Regional Capacity to Control Long Term Risks to the Public due to Radon in Dwellings and Workplaces" to promote innovative ways of delivering our programme in the face of the unprecedented health crisis due to the COVID-19 pandemic.

The purpose of the virtual event is to review the first joint database on radon risk communication results.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

For participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **5 March 2021** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the event from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Ludmila Wiszczor L.Wiszczor@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Ludmila Wiszczor
Programme Management Officer
Division for Europe
Department of Technical Cooperation

Enclosure: Information Sheet

Virtual Event - First Follow up Workshop to the Regional Workshop on Joined Radon Population Opinion Survey- Share Team up Engage Analyse Monitor (STEAM)

Hosted by

The International Atomic Energy Agency
IAEA Headquarters
Vienna, Austria

30 to 31 March 2021

Ref. No.: ME-RER9153-2100444

Information Sheet

Purpose

The purpose of the virtual event is to review the first joint database on radon risk communication results.

Working Language(s)

The working language of the event will be English.

Deadline for Nominations

Nominations received after **5 March 2021** will not be considered.

Project Background

The virtual workshop is organized in the frame of regional project RER9153: Enhancing the regional capacity to control the long-term risks to the public due to radon in dwellings and at workplace;. STEAM methodology is related to a special task within the regional project RER153 with the objective to create and apply a questionnaire to evaluate general knowledge on radon among different stakeholders, and to address the means of preferred communication.

Scope and Nature

During the workshop, the Member States applying STEAM methodology will merge national results into one joint database. This will allow for improved statistical analysis and reduce uncertainties. The issue on cultural influence on radon risk perception will be discussed and adjusted.

Participation

The event is open for the participants of STEAM project only.

Kindly note that this virtual workshop is a follow up meeting to the Virtual Event - Regional Workshop on Joined Radon Population Opinion Survey- Share Team up Engage Analyse Monitor (STEAM) – RER9153-1907199, which took place from 15 to 17 December 2020. Therefore, only the candidates of that meeting as per attached list are eligible to participate. Should the participants of RER9153-1907199 not be available for the follow-up meeting, so the Member State can consider nominating another representative from the same institute.

Participants' Qualifications and Experience

National results of STEAM questionnaire must be analysed according to instructions and training obtained in December 2020; the descriptive part of statistics on national level must be presented by participants.

Application Procedure

Candidates wishing to apply for this event should follow the steps below:

1. Access the InTouch+ home page (<https://intouchplus.iaea.org>) using the candidate's existing Nucleus username and password. If the candidate is not a registered Nucleus user, she/he must create a Nucleus account (<https://websso.iaea.org/IM/UserRegistrationPage.aspx>) before proceeding with the event application process below.
2. On the InTouch + platform, the candidate must:

- a. Finalize or update her/his personal details, provide sufficient information to establish the required qualifications regarding education, language skills and work experience ('Profile' tab) and upload relevant supporting documents;
- b. Search for the relevant technical cooperation event (EVT2100444) under the 'My Eligible Events' tab, answer the mandatory questions and lastly submit the application to the required authority.

NOTE: Completed applications need to be approved by the relevant national authority, i.e. the National Liaison Office, and submitted to the IAEA through the established official channels by the provided designation deadline.

For additional support on how to apply for an event, please refer to the [InTouch+ Help page](#). Any issues or queries related to InTouch+ can be addressed to InTouchPlus.Contact-Point@iaea.org.

Should online application submission not be possible, candidates may download the nomination form for the meeting from the [IAEA website](#).

Administrative and Financial Arrangements

Nominating authorities will be informed in due course of the names of the candidates who have been selected, and will at that time be informed of the procedure to be followed with regard to administrative and financial matters.

Selected participants who indicate their need, will receive financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with IAEA rules and procedures.

Disclaimer of Liability

The organizers of the event do not accept liability for the payment of any cost or compensation that may arise from damage to or loss of personal property, or from illness, injury, disability or death of a participant while he/she is travelling to and from or attending the course, and it is clearly understood that each Government, in approving his/her participation, undertakes responsibility for such coverage. Governments would be well advised to take out insurance against these risks.
