Subject: Virtual Event - Regional Training Course on Regulatory Body Integrated Management System and Human Resources Planning, from 28 June to 1 July 2021

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing a Virtual Regional Training Course under the IAEA technical cooperation project RER9148, “Strengthening the Regulatory Infrastructure for Radiation Safety” to promote innovative ways of delivering our programme in the face of the unprecedented health crisis due to the COVID-19 pandemic.

The purpose of the virtual event is to assist the regulatory bodies in the region to establish and/or strengthen integrated regulatory bodies’ management systems so that management and leadership foster and sustain a strong culture for radiation safety. Special attention will be given to the development of human resources planning.

The attached Information Sheet provides further details, including technical and administrative aspects of the virtual event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

For participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country’s nominations by **1 June 2021** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA’s webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Ludmila Wiszczor L.Wiszczor@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
