Subject: Virtual - Interregional Training Course on Environmental Remediation Site Characterization, Vienna, Austria, from 11 to 21 October 2021

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2020, “Enhancing Capacity Building to Promote Successful Decommissioning and Environmental Remediation Projects”.

The purpose of this virtual event is to provide an overview of key aspects related to site characterization to support decision-making in the scope of site environmental remediation and management including elements of design, implementation of data acquisition, visualization and interpretation.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

We would appreciate receiving your country's nominations by **30 August 2021** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Mr Dirgantara Ginanjar D.Ginanjar@iaea.org and Mr Jing Zhang J.Zhang@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
