Subject: Virtual Workshop on the Technical-Economic Feasibility Studies to Implement Radiation Technology for the Recycling of Polymer Waste, from 24 August to 16 November 2021

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1021, "Enhancing the Use of Radiation Technologies in Industry and Environment".

The purpose of the event is to provide lectures and discuss specialised topics in radiation technology for the recycling of polymer waste and provide support to the participants on their case studies / pilot projects on the utilization of radiation technology for the recycling of polymer waste, taking into account the technoeconomic aspects throughout the whole plastic value chain.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

For participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **26 July 2021** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Tomoko Furusawa T.Furusawa@iaea.org and Ms Zuzana Svakova Z.Svakova@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
