**Subject: International Training School on Radionuclide Therapy and Theragnostic from 4 to 8 April 2022**

Dear National Liaison Officer/National Coordinator,

I am pleased to invite you to send nominations of suitable candidates to participate in the International Training School on Radionuclide Therapy and Theragnostic within the framework of the IAEA technical cooperation project RER6041, "Enhancing and Harmonizing Nuclear Medicine and Diagnostic Imaging Capabilities".

The purpose of the event is to build on the previous on-line Training School "Radionuclide therapy and imaging" and following participant's feedback, this course seeks to focus on the multi-disciplinary aspects of theranostics and internal radionuclide therapy.

The attached information sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify suitable women participants.

The IAEA will provide selected participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant's residence and Vienna. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country's nominations by **18 February 2022** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org), with copy to Ms Mayumi Yamamoto, [M.Yamamoto@iaea.org](mailto:M.Yamamoto@iaea.org) and Ms Gulnur Erni-Toyalieva, [G.Erni-Toyalieva@iaea.org](mailto:G.Erni-Toyalieva@iaea.org).

Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Mayumi Yamamoto  
Programme Management Officer  
Division for Europe  
Department of Technical Cooperation
