

THE LAW

**PROHIBITING CONSTRUCTION OF NUCLEAR POWER PLANTS IN THE FEDERAL
REPUBLIC OF YUGOSLAVIA**

(“Official Gazette of FRY”, No. 19/95 and “Official Gazette of RS”, No. 85/2005 – other law)

Article 1

The construction of nuclear power plants, nuclear fuel fabrication facilities and the facilities to reprocess spent nuclear fuel for nuclear power plants in the Federal Republic of Yugoslavia shall be prohibited.

The prohibition pertains to: making investment decisions, preparation of investment programmes and technical documentation for the construction of nuclear power plants, nuclear fuel fabrication facilities and the facilities to reprocess spent nuclear fuel for nuclear power plants.

Article 2

The provisions of Article 1 hereof shall not pertain to any scientific and research and research and development activities, mining and geological research activities, geological and seismic research and staff education.

Article 3*

(ceased to be valid)

Article 4

On the day of the entry of this Law into force, the provisions of the Law Prohibiting Construction of Nuclear Power Plants in the Socialist Federal Republic of Yugoslavia (“Official Gazette of SFRY”, No. 35/89) shall cease to exist.

Article 5

This Law shall enter into force on the eighth day of its publication in the “Official Gazette of FRY”.
