Subject: Regional Training Course on Gamma Radiation Processing Dosimetry, Budapest, Hungary, from 15 to 19 May 2023

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1021, “Enhancing the Use of Radiation Technologies in Industry and Environment”.

The purpose of the event is to train the participants on Gamma Radiation Processing Dosimetry including on the requirements of ISO 11137 Standards such as dosimetry procedures necessary during Installation Qualification (IQ), Operational Qualification (OQ), Performance Qualification (PQ) and routine Process Control.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant’s residence and Budapest or a travel allowance to purchase an air ticket. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country’s nominations by **17 March 2023** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA’s webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Tomoko Furusawa T.Furusawa@iaea.org and Ms Zuzana Svakova Z.Svakova@iaea.org. Please be advised that late

nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Tomoko Furusawa', is centered on the page.
