**Subject: Regional Training Course on Strengthening the Use of Radiation Technologies in the Processing and Valorisation of Biomass Feedstocks, Warsaw, Poland, from 9 to 13 June 2025**

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1024, “Enhancing the Use of Radiation Technologies for Improved Resource Efficiency”.

The purpose of this event is to train participants in the application of radiation technologies for processing and valorising biomass feedstocks.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country’s nominations by **4 April 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Meng Li', written in a cursive style.

Meng Li  
Programme Management Officer  
Division for Europe  
Department of Technical Cooperation
