Subject: E-learning course on diagnostic and therapeutic radioisotopes and radiopharmaceuticals application with intermediate-level regulation, Daejeon, Korea, Republic of, from 21 July to 1 August 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RAS0089, "Developing Human Resources to Support the Utilization of Nuclear Technology for Development Including Emerging Needs".

The objective of this e-learning course is to transfer the crucial knowledge updates to the participants, in the diagnostic and therapeutic radioisotopes, radiopharmaceuticals and applicable regulations for clinical translation. The aim is to support long term strategies for strengthening capacities, in this field participating countries

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **6 June 2024** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
