Subject: Regional Training Courses in 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the **Virtual Regional Training Courses** under the IAEA technical cooperation project RER6043, “Supporting Member States in Enhancing Cancer Management through Rays of Hope”.

The attached list provides further details, including technical and administrative aspects of the event. All events will be held virtually and in Russian language. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

For these events, the participants who indicate their need, the IAEA could provide financial support to contribute to the expenses of their costs for internet connection for the duration of the event in line with the IAEA rules and procedures.

We would appreciate receiving your country's nominations by the deadlines indicated in the attached List of Regional Training Courses through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the [IAEA's webpage](#). Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address Official.Mail@iaea.org, with copy to Ms Mayumi Yamamoto M.Yamamoto@iaea.org and Ms Angie Mieses A.Mieses-Concepcion@iaea.org. Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
