National Liaison Officers /

National Coordinators

2025-07-16

Subject: Regional Workshop on Radiation Protection of Patients in Computed Tomography and Recurrent Imaging Practices, Vienna, Austria, from 4 to 5 December 2025

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9157**,** "Strengthening Implementation of the Justified and Optimized Use of Ionizing Radiation in Medicine".

The purpose of the event is to provide participants with specific information on patient radiation protection, including level of appropriateness in recurrent imaging modalities, identification of high-dose examinations and optimization of exposure levels in Computed Tomography (CT).

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **29 August 2025** through the IAEA's InTouch+ platform (https://Intouchplus.iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Anna Melkumyan
Programme Management Officer
Division for Europe
Department of Technical Cooperation
