**Subject: TC Sponsored Participation on The 20th International Conference on Radionuclide Therapy (ICRT2025) from 06 to 09 November in Limassol, Cyprus.**

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER6041, “Enhancing and Harmonizing Nuclear Medicine and Diagnostic Imaging Capabilities”.

The purpose of the event is to emphasize the theragnostic aspect of nuclear medicine; participants will engage in knowledge sharing, collaboration, and discussions on the latest advancements in the field.

Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

The IAEA will provide non-local participants with a round-trip air ticket based on the most direct and economical route between the airport nearest the participant’s residence and Limassol or a travel allowance to purchase an air ticket. Travel details will be agreed with the participants upon receipt of their official nomination. Participants will also receive an allowance from the IAEA sufficient to cover their costs of lodging, daily subsistence and miscellaneous expenses for the duration of the event in line with IAEA rules and procedures.

We would appreciate receiving your country’s nominations by **06 October 2025** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Should this not be possible, applicants may download the Nomination Form for the course from the IAEA’s webpage. Completed forms must be endorsed by the relevant government authority and may be sent to the IAEA, preferably by email to Official Mail - IAEA Mail address [Official.Mail@iaea.org](mailto:Official.Mail@iaea.org), with copy to Ms Sibel Unlu [s.unlu@iaea.org](mailto:s.unlu@iaea.org) and Ms Angie Mieses [A.Mieses-Concepcion@iaea.org](mailto:A.Mieses-Concepcion@iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
