Subject: SMR School: Interregional Workshop on Key Aspects of SMR Development and Deployment, Vienna, Austria, from 23 to 27 February 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project INT2025, "Supporting Member States' Capacities on Small Modular Reactors, their Technologies and Applications (Phase II) as a Contribution of Nuclear Power to Climate Change Mitigation".

The purpose of the event is to facilitate discussions and share experiences on key aspects of SMR development and deployment, including high-level discussions to support policy and decision-making regarding the role of SMRs in the energy mix.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **4 January 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
