2026-05-05

Subject: Regional Workshop on Licensing Documentation for Radioactive Waste Management Facilities and Activities, Tallinn, Estonia, from 16 to 20 November 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9164, "Building Capacity for Radioactive Waste Management".

The purpose of this event is to discuss and share experience in preparing and renewing licensing documents for radioactive waste management facilities and activities, aligned with international safety standards.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **1 June 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Maria del Pilar Murillo Fuentes
Programme Management Officer
Division for Europe
Department of Technical Cooperation
