National Liaison Officers /

National Coordinators

2026-06-08

Subject: Regional Training Course on the Whole Genome Sequence Analysis of the Capripox Viruses, Riga, Latvia, from 23 to 27 November 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER5030, “Supporting Member States in Enhancing Agrifood Systems”.

The purpose of the event is to train participants on the practical use of a recently established cloud environment for Whole Genome Analysis (WGS) of animal and zoonotic pathogens, with a specific focus on the WGS analysis of the Capripox Viruses (Lumpy Skin Disease and Sheep and Goat pox).

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **10 July 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Meng Li', with a stylized flourish at the end.

Meng Li
Programme Management Officer
Division for Europe
Department of Technical Cooperation
