Subject: Regional Workshop on Radiological Environmental Impact Assessment for Radioactive Waste Management Facilities and Activities, Lisbon, Portugal, from 14 to 18 December 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9164, "Building Capacity for Radioactive Waste Management".

The purpose of the event is to discuss and share experience on the approaches and methodologies for conducting Radiological Environmental Impact Assessments (REIA) for radioactive waste management facilities and activities, including regional harmonisation in the application of REIA in accordance with the international safety standards.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **24 July 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Maria del Pilar Murillo Fuentes
Programme Management Officer
Division for Europe
Department of Technical Cooperation
