National Liaison Officers/
National Coordinators

2026-06-08

Subject: Regional Training Course on Radiation Technology in Plastic Waste Recycling Application, Thessaloniki, Greece, from 7 to 11 September 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER1024, "Enhancing the Use of Radiation Technologies for Improved Resource Efficiency".

The purpose of the event is to train participants on the use of radiation technology for plastic waste recycling, with a focus on process development and adaptation, electron accelerator requirements, and material handling and dosimetry.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **06 July 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Meng Li
Programme Management Officer
Division for Europe
Department of Technical Cooperation
