Subject: Regional Workshop on Strengthening Implementation of Justification and Appropriateness Criteria in Radiological Examinations, Zagreb, Croatia, from 7 to 11 December 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9165, "Enhancing Radiation Protection and Safety in Medical Exposure".

The purpose of the event is to discuss, share experience and identify gaps in the application of justification and appropriateness criteria in radiological examinations as well as to support actions needed for the implementation of IAEA requirements on justification and appropriateness in radiological examinations.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **15 September 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
