Subject: Regional Workshop on Advancing Harmonized Medical Physics Education and Training Pathways, Including CPD Models, Larissa, Greece, from 26 to 30 October 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER6045, "Strengthening Medical Physics in Diagnostic and Interventional Radiology".

The purpose of the event is to discuss and share experience on developing strategies to enhance competency-based education, professional recognition, and sustainable workforce development in medical physics across the region.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **7 September 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
