Subject: Regional Training Course on Advanced Quality Assurance in Computed Tomography, Budapest, Hungary, from 30 November to 4 December 2026

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER6045, "Strengthening Medical Physics in Diagnostic and Interventional Radiology".

The purpose of the event is to train the participants on how to assess the performance of modern computed tomography (CT) imaging technologies, use advanced image quality metrics and dose indices, and design and optimise CT protocols.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

Occupational Exposure to Radiation: This activity may involve occupational exposure to radiation. Therefore, persons nominated are required to duly complete and return the attached Occupational Exposure History (OEH) form. The IAEA will provide participants in due course with a dosimeter to monitor their occupational exposure during this event.

We would appreciate receiving your country's nominations by **28 September 2026** through the IAEA's InTouch+ platform (<https://Intouchplus.iaea.org>). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,
