National Liaison Officers /

National Coordinators

2026-10-19

Subject: **Regional Workshop on Predisposal Safety Assessment and Safety Case Development Methodologies for Licensing Radioactive Waste Management Facilities, Nicosia, Cyprus, from 8 to 12 February 2027**

Dear National Liaison Officer / National Coordinator,

I am pleased to inform you, that the International Atomic Energy Agency (IAEA) is organizing the above event under the IAEA technical cooperation project RER9164**,** "Building Capacity for Radioactive Waste Management".

The purpose of the event is to discuss and share experience on the methodologies for development of the Safety Assessment (SA) andthe Safety Case (SC) for predisposal radioactive waste management facilities and activities, including supporting documentation forlicensing.

The attached Information Sheet provides further details, including technical and administrative aspects of the event. Selection of participants will be in accordance with IAEA procedures. Member States are strongly encouraged to identify women participants.

We would appreciate receiving your country's nominations by **8 November 2026** through the IAEA's InTouch+ platform (https://Intouchplus.iaea.org). Please be advised that late nominations or replacements of participants after the closing date for nominations will not be accepted.

We look forward to receiving your early response.

Yours sincerely,

Maria del Pilar Murillo Fuentes
Programme Management Officer
Division for Europe
Department of Technical Cooperation
